MEMORANDUM

TO : To Our Valued Clients, Customers, and Vendors,
FROM : Inpsyful Learning & Solutions Sdn Bhd
(formerly known as Talent Intelligence Sdn Bhd)
REF. NO : R/05/2024
DATE : 23rd March 2024
SUBJECT : **CHANGE OF COMPANY NAME**

Dear All,

We're thrilled to share some exciting news with you! As of 23rd April 2024, Talent Intelligence Sdn Bhd will now be known as **Inpsyful Learning & Solutions Sdn Bhd**. This change reflects our commitment to evolving and providing innovative solutions to meet your needs. Rest assured, while our name is changing, our dedication to serving you remains the same.

In addition to our existing in-house training programs, we are excited to introduce a new lineup of public programs and technical-skilled related workshops. These additions are designed to offer a wider range of options for professional development and skill enhancement.

Our **public programs** will provide opportunities for individuals from different organizations to come together and learn from our expert trainers in a collaborative environment. These programs cover a variety of topics, of some from our menu:

- Anti-Bribery and Corruption Awareness: Compliance Insights
- ElevateYOU: Unleashing Self-Worth and Confidence Beyond Comfort
- ConnectLaw: Mastering Communication & Rapport Building with the Law of Connection
- PlayCraft: Level Up Your Gamification Skills
- Lie Detection at Interviews: Lie To Me!
- Competency Based Interviewing Skills (CBI) with application of Psychometric Assessments
- MindArmor: Exploring Mindset for Mental Resilience
- Safeguarding Minds: Cultivating Psychological Safety at Work
- Empowerment Through Care: Unleash Psychological First Aid (PFA) Mastery
- Exploring Misconduct: Your Guide to Investigations & Inquiries
- Employment Act Demystified: Your Quick Crash Course
- Human-Centric Innovation: The Power of Design Thinking
- Brick by Brick: Crafting High-Performance Teams with LEGO® Serious Play® (LSP)

Furthermore, our **technical-skilled related workshops** are tailored to address specific technical skills and competencies that are increasingly important in today's rapidly evolving business landscape. These workshops will equip participants with practical skills and knowledge to excel in their roles and drive organizational success.

- (Electro Static Discharge) ESD For Safer Workplace
- Unleash Your Process Optimization Potential with LEAN 6 Sigma
- Save A Life Now! First Aid Course CPR@Workplace
- A For Awareness with ISO 14001 & 45001
- Winning Bids: Mastering Proposal and Tender Management

We believe that these new offerings will complement our existing training solutions and provide you with even more flexibility in meeting your training objectives. Whether you're looking to upskill your team, enhance individual competencies, or stay ahead of industry trends, we have a program that fits your needs, all you need to do is to join our mailing list & register before **31st May 2024** to **enjoy 25% discount** – because staying informed is the first step to staying ahead! Don't worry knowing that getting approval from management is a journey, please keep us informed if you are in the midst of planning for future programs.

Explore our updated offerings on our new website www.inpsyful.com or contact our team of Learning Alchemists for more information on our upcoming public programs and technical workshops.

We look forward to the opportunity to continue supporting your organization's growth and success through our expanded training offerings.

Thank you for your continued partnership.

Yours truly,

Evelyn Chue
Managing Director
